

Lesson plan

Polskie (Litewskie) i Angielskie przysłowia

Teacher: Małgorzata Handrysiak ZSEiI w Giżycku

Class : secondary school/ 45 min.

Topic: Polish(Lithuanian)/English proverbs and wise sayings

Aims:

- students know English proverbs
- students learn about proverbs, how they work, and their cultural significance
- students share, study, and interpret proverbs.

Tools:

- mobile phones or tablets (at least one for a pair of students)
- computer, multimedia, access to the internet, smartboard

Introduction: presentation of the topic and aim of the lesson, tools.(5 min.)

Ex.1.Guess the meaning of the proverb.(5 min.)

Students scan **QR code** with a mobile phone or a tablet and do a matching exercise (attached below). They have to match the English proverb with its Polish equivalent.(or match the proverb with its definition).

1. Matching exercise - <http://LearningApps.org/watch?v=pgb94a7ac17>
2. Matching definition - <http://LearningApps.org/watch?v=pifqpxqda17>

Ex.2. What's the proverb?(15 min.)

Students work in pairs. They chose one of the proverbs from previous exercise and create a visual material using Pixton, Google drive, camstudio to illustrate the proverb. (Advanced students might use a few proverbs and create a dialogue, a real-life situation or a story and then role play it)

Ex.3 Presentation(15 min.)

Students present their work to a class, other students should guess wich proverb was presented.

Ex4. Summary of the lesson, student assesment, reflections(5 min)
