

Lesson Review

Subject: English

The previous lesson we had a topic Lithuanian Lakes. We decided to be more specific and chose to discuss lakes in Dzukija Region Meteliai Regional Park.

School	Alytus Dzukija Basic School
Class	7th grade
Teacher	Senior Teacher of English Edita Jasionienė
General Competences	<p>Communicative competence: After watching slides in prezi programme students discuss flora and fauna in Meteliai Regional Park.</p> <p>Social- linguistic competence: After getting acquainted to information of Lakes in Meteliai Regional Park students will be able to do the quiz in platform LearningApps.</p>

Lesson Plan

Topic	Lakes. Lakes in Meteliai Regional Park	
Aims	To give students practice in reading both for gist and detail. To allow students to practice speaking spontaneously and fluently about lakes, that may provoke the use of words, and phrases they have been learning recently.	
Evaluation	Assessing performance: Students assessing themselves Teacher assessing students Feedback doing the questionnaire and oral work	
Procedures		
Warming-up Teacher tells students to list 5 lakes they know in Lithuania. Students opt lakes which are in Dzukija Region then teacher presents topic 'Lakes in Dzukija Region specifically in Meteliai Regional Park'.		Time: 5 min.
Presentation: Teacher presents the topic using prezi programme. https://prezi.com/tzqpzxmbytvk/dzukia-lakes/ Students discuss the information from the slides and express their experience on given topic. Students create short conversations using programme www.pixton.com Example: https://www.pixton.com/comic/jzhsiojn		Time: 30-35 min.
Feedback: Students do the questionnaire on platform 'LearningApps.org' http://learningapps.org/display?v=pkvvfrf3j17		Time: 3 min.

<p>Summarising: Students assessing themselves. Teacher assessing students. Reflection on given topic.</p>	<p>Time: 5 min.</p>
